Things to Know Before the NOVPN Convening

Day 1 – Optional Pre-Convening Day

**Washington DC ONSE Visit**
*Only 2 reps per OVP/ONS will be admitted to the Washington, DC ONSE site visit due to space constraints. Please make plans with your teams accordingly.*

Due to high demand for transportation, each OVP/ONS office (not each person) will be eligible to receive a $50 ground travel reimbursement so that you can use Uber/Lyft/Taxi to get to and from the Washington DC ONSE.

**Lunch and Dinner:** Each staff member participating in the optional pre-convening day will be eligible to receive a $60 meal per diem for lunch and dinner on your own.

**Museum Visit: National Museum of African American History and Culture**
We have a group reservation at 2:15pm. Please gather near the group entrance, which is at the Madison Drive, NW entrance before 2:15pm. Since we are a large group, we will be required to split up into groups of 10 or less once inside.

Prepare for your visit by reading the frequently asked questions. Study the museum floor plans on the website. Understand what is and is not allowed inside the museum, the times the museum shop and cafe close, and the Smithsonian Institution Photography Policy.

FYI, for anyone interested in going to the museum earlier, later, or on their own, feel free to do so. You can reserve individual tickets for free here.

Day 2 – National OVP Network Convening

Please see the agenda for details on programming. Coffee, lunch, and a sponsored Happy Hour with complimentary food and drinks will be provided on Thursday November 17th.

Hotels and Transportation

There are several hotels in the area and nothing in the “downtown” area of the city is too far from either the Public Welfare Foundation or The Park (Happy Hour location). We encourage you to stay anywhere you’re comfortable. Both locations are easily accessible by the Metro and are a short distance from each other if traveling by Uber/Lyft.
Expense Reimbursements

The National OVP Network will provide a simple process for OVP/ONS offices to be reimbursed for up to $2,000 for travel expenses as well as a $60 meal per diem per staff member for OVP/ONS staff members that attend the optional pre-conference day on Wednesday Nov 16th.

*Ground Travel Reimbursement for 11/16 Washington ONSE visit: Due to high demand for transportation, each OVP/ONS office (not each person) will be eligible to receive a $50 ground travel reimbursement so that you can use Uber/Lyft/Taxi to get to and from the Washington DC ONSE.* Please include this and the $60 meal per diem per staff member in your invoice for travel expense reimbursement.*

Reimbursement Process

To ensure we have information needed for progress and impact reporting and to inform continuous OVP network improvements, there will be a QR code at each table that will link to a survey for each OVP Director to complete.

The survey will include questions about your OVP operations. (For those of you who completed the OVP landscape scan a year or two ago, this survey asks very comparable questions.) Please complete the survey with the most up-to-date information available.

Upon completion of the survey, you will receive a link to the Expense Reimbursement Request Form. This form will gather information necessary to process payment to your organization. It will also include instructions for attaching receipts. Please complete this form, gather receipts as instructed on the form, and send them to Diana Dahl at diana@nicjr.org within the next 30 days.

Public Welfare Foundation Covid Policy

Anyone entering the building must be fully vaccinated and proof of vaccination will be verified by our front desk security. Fully vaccinated meaning either 1 J&J or 2 shots of Pfizer or Moderna. Proof of vaccination can be the actual card or a photocopy. NO Exceptions. Mask must be always worn outside of the event areas meaning entering the building, lobby areas, elevator, and restrooms. Mask may only be removed inside the event space.
Candice joined the Public Welfare Foundation in Washington, DC as its President and CEO in 2017.

Previously, she served as Senior Advisor at Chicago CRED, an organization that focuses on gun violence in Chicago. In that role, she worked on securing greater investments for violence intervention programs as an alternative to the criminal justice system. Prior to her work with Chicago CRED, she served as Director of the Illinois Department of Juvenile Justice, a cabinet level state agency where she supervised operations, programming, budget matters, and communications. During her tenure, she pushed significant reforms that reduced the number of youth in state custody.

She also served as a White House Fellow, managing a portfolio within the U.S. Department of Education that included developing education strategies for correctional institutions and shepherding a plan to reinstate federal Pell grants for youth and adults in custody.

Earlier in her career, Candice served as a program officer with the MacArthur Foundation, where she managed a grant portfolio focused on decreasing racial and ethnic disparities in the juvenile justice system and on improving the quality of defense for indigent youth.

Candice received her J.D. from New York University School of Law and her B.A. from Washington University in St. Louis, Missouri.
